

# MOSSLEY NURSERY SCHOOL

## FEBRUARY NEWS LETTER

Our Topic for this month is  
**'PEOPLE WHO HELP US'**  
(Colours - **Pink** and **Purple**)

During February we will be talking about people who help us. Can you come to talk about your job or let us borrow equipment?

### PARENTS

Just to remind you in 'woolly hat' weather to check your child's head. Head lice can be more common around this time of the year. Do not treat unless absolutely necessary but if you do find anything ask your pharmacist for advice.

We are always encouraging good hygiene with the children... reminding them to wash hands before eating and after going to the toilet. We would appreciate if parents would encourage this at home.

### PARKING

When parking in the primary school's grounds please do not block the nursery's side gate. This is used to deliver our school dinners. Thank you.

### DINNER MONEY

Please remember dinner money is due on Monday morning or first day back. We have to pay this to the EA. Thank you.
